

<b>AF400</b>	<b>Belt width 400mm / 16"</b>	<b>Material mild steel</b>	<b>Finish galvanised</b>
--------------	-----------------------------------	--------------------------------	------------------------------

Note **AmbaVeyor recommends to follow the instructions of the Engineering Manual before ordering**  
**AmbaVeyor recommends to follow the Installation Sheets at assembly of the tracks**

Part	Description	Includes	Price	Amount	Total line price
<b>Straight track</b> 	Straight track module Length 3000 mm / +/- 10ft Width 426 mm / 16,8" Height including belt +/- 130 mm / 5,2"  Length 250 mm / approx. 10" Length 1500 mm / approx. 3ft Length 3000 mm / approx. 10ft	Frame (pre assembled) Slide strips (on roll) TPS belting on rolls Connection plates Fasteners Short Code AF4_ST250_S Short Code AF4_ST1500_S Short Code AF4_ST3000_S	€ 70,00 € 275,00 € 450,00	each	
<b>Curved track</b> 	Curved track module 90 dgr Radius 650mm / 26" (centre line) Width 426 mm / 16,8" Height including belt +/- 135 mm / 5,3" Short code AF4_CT90_R650_S	Frame (pre assembled) Slide strips (on roll) Special Slide strip (1 mtr) TPS belting on rolls Connection plates Fasteners	€ 700	each	
<b>Frame Connection set</b> 	Connection Set for levelled junctions Required when splitting the standard Straight Track and Curved Track Modules into shorter track modules One set per extra created track needed. Short code FCS_S	Two connection plates An extra spacer bar  Fasteners	€ 22	each	
<b>Vertical Bend Set</b> 	Vertical Bend Set, required when making an incline or decline track. One set per incline or decline. Short code VBS_S	Two connection plates  Fasteners	€ 32	each	
<b>Drive &amp; Idler set</b> 	Required at both ends of each track course. Length 426 mm / 16,8" Thickness +/- 132mm / 5,2" Shaft 30mm Drive position right handed (in transport direction) Short code AF4_DI_30_R	Drive unit + Idler unit Shaft + key Slide strips (pre installed) TPS belting on rolls O-rings for transition roller  Fasteners	€ 800	per set	
<b>Gear motor SEW</b> 	Fits with Drive & Idler set v=18 m/min / 54 fpm Maximum torque approx. 175 Nm Maximum pull force 3500 N Shortcode S_18_3500  The same as above at v=36 m/min / 108 fpm Shortcode S_36_3500	Gear drive Torque arm Fasteners	€ 900  € 900	each  each	
<b>Options</b>					
<b>TPO belting</b> 	Instead of TPS belting  Closed top surface On 5 meter rolls Slats pre fitted on the chain Short code AF4_TPO_5	TPO slats  Carbon steel chain Masterlinks	€ 40	extra per meter conveyor	
<b>TPO HF1 belting</b>	Friction tabs for 100 % friction (every slat) Short code TPO_HF	660 pcs of high friction tabs excluding TPO slat belt For 2,5 meter conveyor length	€ 90	extra per meter conveyor	
<b>TPO HF2 belting</b>	Friction tabs for 50 % friction (every second slat) Short code TPO_HF	660 pcs of high friction tabs excluding TPO slat belt For 5 meter conveyor length	€ 45	extra per meter conveyor	
<b>TPO HF3 belting</b>	Friction tabs for 33 % friction (every third slat) Short code TPO_HF	660 pcs of high friction tabs excluding TPO slat belt For 7,5 meter conveyor length	€ 30	extra per meter conveyor	
<b>TPO HF4 belting</b>	Friction tabs for 25 % friction (every fourth slat) Short code TPO_HF	660 pcs of high friction tabs excluding TPO slat belt For 10 meter conveyor length	€ 23	extra per meter conveyor	
<b>TPO HF6 belting</b>	Friction tabs for 16 % friction (every sixth slat) Short code TPO_HF	660 pcs of high friction tabs excluding TPO slat belt For 15 meter conveyor length	€ 15	extra per meter conveyor	

<b>TPS HF1 belting</b> 	TPS (standard belting) with 100% (every 1st slat) high friction surface Upgrade set Slats must be exchanged on site. Additional chain for reuse of slats Short code AF4_TPS_HF1	Loose slats with high friction surface  Carbon steel chain Masterlink	€ 78	extra per meter conveyor		
<b>TPS HF2 belting</b>	TPS (standard belting) with 50 % (every 2nd slat) high friction surface Upgrade set Slats must be exchanged on site. Additional chain for reuse of slats Short code AF4_TPS_HF2	Loose slats with high friction surface  Carbon steel chain Masterlink	€ 39	extra per meter conveyor		
<b>TPS HF3 belting</b>	TPS (standard belting) with 100% (every 3rd slat) high friction surface Upgrade set Slats must be exchanged on site. Additional chain for reuse of slats Short code AF4_TPS_HF3	Loose slats with high friction surface  Carbon steel chain Masterlink	€ 26	extra per meter conveyor		
<b>TPS HF4 belting</b>	TPS (standard belting) with 100% (every 4th slat) high friction surface Upgrade set Slats must be exchanged on site. Additional chain for reuse of slats Short code AF4_TPS_HF4	Loose slats with high friction surface  Carbon steel chain Masterlink	€ 20	extra per meter conveyor		
<b>TPS HF6 belting</b>	TPS (standard belting) with 100% (every 6th slat) high friction surface Upgrade set Slats must be exchanged on site. Additional chain for reuse of slats Short code AF4_TPS_HF6	Loose slats with high friction surface  Carbon steel chain Masterlink	€ 13	extra per meter conveyor		
<b>Accessories</b>						
<b>Transition roller</b> 	Roller used at the transitions from the drive to the idler unit or from and to third party machines Short code AF4_TR_S	One roller bearing roller  Two pivoting brackets Height adjusting disks Fasteners	€ 70	each		
<b>Support frame</b> 	Support frame is built up from three base parts <b>Support Frame Set</b> Base set to be combined with support profiles.  Feet +/- 50mm height adjustable Short code AF4_SFS_S <b>Support Frame Profile</b> C-section profile Length = 3 meter Effective TOB height = profile length + 230 mm Short code SPS-S <b>Support Bracing</b> Cross bracing for use at supports higher than 1,250 mm Shortcode SB_S	Adjustable plastic feet with M16 thread M16 Nuts to fasten the feet  Horizontal Support Bar Fasteners  One 3 meter section  Two bracing strips Fasteners				
	TOB height range 230 - 430 (mm) TOB height range 430 - 730 (mm) TOB height range 730 - 980 (mm) TOB height range 980 - 1230 (mm) TOB height range 1230 - 1730 (mm) TOB height range 1730 - 3230 (mm)	includes the Support Frame Set, the Support Frame Profile in 3 meter (12') sections and Support Bracings as from the range 980 - 3230 mm	€ 58 € 58 € 61 € 98 € 104 € 171	per each per each per each per each per each per each		
<b>Guide rails B50 (plate type)</b> 	Effective inside width 426 mm Shortcode B12_G	Guide rail plate on rolls Fasteners	€ 61	per meter conveyor		
<b>Guide rail offset 25 mm</b> 	Offset spacers 25mm  Offset spacers 50mm  Offset spacers 75mm  Offset spacers 100mm	Spacers and extended bolts  Spacers and extended bolts  Spacers and extended bolts  Spacers and extended bolts	€ 5 € 10 € 15 € 20	per meter conveyor per meter conveyor per meter conveyor per meter conveyor
